TA-TA, EVELYN!

Ambitious to gain fame as a sculptor, Evelyn Nesbit Thaw will sail for Paris on Thursday, next, to continue her art work abroad. She will rent a modest apartment in Paris and do her own cooking. She still receives a monthly allowance from the Thaw family, but her friends say she is permanently estranged from Harry K. Thaw, her husband.

RIPLEY NIGHT WATCHMAN CUT.

Night Watchman Musenon of Ripley, known as "Big Moose," was seriously cut Sunday evening in a street altercation by Frank Richards, who was said to be intoxicated. Richards slashed Musenon's hat into ribbons, as well as his coat, finally cutting him across the left cheek a gash which required 26 stitches to close. Musenon saved his life by drawing his gun, when Richards ran, the officer firing twice at him.

EXTENSION OF RURAL DELIVERY

In the Postoffice Department the movement for the extension of the rural free delivery is taking definite form. During the past month more than sixty thousand petitions for rural service, where none now exists, were presented to the Department. Adverse reports of investigators were made on more than 17,000 of them. The routes asked for in the others will be allowed. There are now in operation more than 41,000 routes.

PREMIUM PAIR OF MULES.

Bryan & Kirk, the Mason county stock dealers, exhibited in front of The Ledger office yesterday afternoon, probably the finest pair of four-year-old mules ever raised in Mason county. The animals were 16 hands high, weigh 2,500 pounds and nearly perfect matchers, and were reared by Mr. Joseph Latham of Mayslick and recently purchased by the present owners, who now value the pair at \$750. We understand \$700 has been refused for them.

When we can raise such superb draught animals as these there is no use speaking of Missouri being the native habitat of the premium male.

Mr. William Yearsley of Ripley was a Maysville visitor yesterday.

Lenoir, N. C.—"I am not tired at all, and am stouter than I have ever been," writes Mrs. Kate Waters, of Lenoir, N. C., "although I have just finished a two weeks' wash. I lay my strength to Cardui, the woman's tonic. I have taken a lot of it and I can never praise it enough for what it has done for me. Free Child's Remedy

What mother is not looking for something that will help her children in the little ills of life, something for the stomach trouble and the bowel trouble? Long ago she probably has become convinced that a child cannot readily swallow a pill or a tablet, and that to "break them in half and crush them" is an annoyance; that usually they work too drastically, and are nauseating and too powerful for the little one's stomach. Any mother who will take the trouble of sending her name and address can obtain a free sample bottle of a remedy that thousands of other mothers are using and now paying for. This remedy is Dr. Caldwell's Syrup Pepsin, and the offer of a free trial bottle is open to any mother who has not yet used it. Having used it and convinced yourself that it is what you want, you can obtain it in the future of your druggist at fifty cents and one dollar a bottle, just as so many others are doing, the free sample being simply to convince you of its merits. It is the best way to begin on it. Mrs. L. Davis of 187 W. Harrison street, Chicago, and Mrs. Mary Belford, 1710 Coke street, Louisville, Ky., both started with a free sample and now they write that they have never been without a bottle in the house since. It is undoubtedly a great family remedy, as it is adapted to all ages, being mild and pleasant to take and yet thoroughly effective. It is especially the ideal remedy for children and women and old folks, who need something pure, mild and natural. It has the advantage of being a thorough laxative and yet contains tonic properties. Use it for the most stubborn constipation, indigestion, liver trouble, sick headache, sour stomach and such complaints with a guarantee that it will cure. Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. I explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For other request the doctor's address is Dr. W. B. Caldwell, R. 507 Caldwell building, Monticello, Ill. For Sale by J. JAS. WOOD & SON, Druggists.

TRUST CASES TO BE RE-ARGUED

WASHINGTON, April 11th.—The Supreme Court of the United States today re-assigned for argument the cases of the United States against the American Tobacco and Standard Oil Companies.

The re-argument of these cases comes as the direct result of the death of Justice Brewer, who died a few days after the Standard Oil case had been argued.

THE LANG DAMAGE SUIT.

The damage suit of Mrs. Mattie Lang vs. the C. and O. Railway Company, for \$10,000, or causing the death of her husband, A. A. Lang, at Dover in 1905, is in progress in the Circuit Court. Lang was employed by the company and had lighted the signal lights at South Ripley and East of Dover and was returning home on his railroad wheel when passenger train bore down on him when he passed the Lee's Creek bridge. It is said that Lang got off the track, but in attempting to save the wheel he was struck by the engine and instantly killed. The plaintiff was awarded \$500 damages in a former trial.

There were over a score of witnesses from Dover and South Ripley and the Conductor and a crew of No. 7 also testified.

KANSAS MAN GIVES STRONG TESTIMONY

William O. McFarland, a well-known resident of Wichita, Kansas, living at 607 North Water street, that city, is a strong believer in the efficacy of Cooper's New Discovery. In a recent statement Mr. McFarland says:

"As an after-effect of typhoid fever and the grip, I have suffered with stomach trouble for the past three years. I had no appetite, and did not get the proper nourishment from my food. As a result I was very weak, and felt tired and worn out, having no energy nor ambition. I experienced a feeling of heaviness in my stomach and belched a great deal of gas. I tried a number of remedies that were recommended to me and took treatment from several physicians, without any permanent benefit.

"I finally decided to try Cooper's New Discovery, after noticing a number of advertisements in the newspapers regarding it. I found it all that it was claimed to be. Within a few weeks the belching had ceased entirely, and the feeling of heaviness and distress disappeared. I began to relish my meals and soon gained in strength and weight. I was greatly surprised with the prompt action of the medicine, and gratified with the results I obtained from its use."

Persons afflicted with worn-out stomachs should try Cooper's New Discovery. There is a heavy demand for the Cooper remedies, for which we are agents in this community—Thos. J. Chasoweth.

This new condition has been made public
through the rejection of several women who
applied at Pittsburgh for positions.

It has been roughly estimated that 30 per-
cent. more work can be gotten from the
average young man stenographer than from a
girl in the same position, and that the work is
more carefully handled. The same thing
applies to other departments.

DISCRIMINATING LADIES.

Enjoy Using Herpicide on Account of Its Distinctiveness.

The ladies who have used Newbro's Herpicide speak of it in the highest terms, for its quick effect in cleansing the scalp of dandruff and also for its excellence as a general hair-dressing. It makes the scalp feel fresh and it allays that itching which dandruff will cause. Newbro's Herpicide effectively cures dandruff, as it destroys the germ that causes it. The same germ causes hair to fall out, and later baldness; in killing it, Herpicide stops falling hair and prevents baldness. It is also an ideal hair dressing, for it lends an aristocratic charm to the hair that is quite distinctive. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

What Ails You?

Do you feel weak, tired, despondent, have frequent headaches, coated tongue, bitter or bad taste in morning, "heart-burn," belching of gas, acid risings in throat after eating, stomach gnaw or burn, foul breath, dizzy spells, poor or variable appetite, nausea at times and kindred symptoms?

If you have any considerable number of the above symptoms you are suffering from biliousness, torpid liver with indigestion, or dyspepsia. Dr. Pierce's Golden Medical Discovery is made up of the most valuable medicinal principles known to medical science for the permanent cure of such abnormal conditions. It is a most efficient liver invigorator, stomach tonic, bowel regulator and nerve strengthener.

The "Golden Medical Discovery" is not a patent medicine or secret nostrum, a full list of its ingredients being printed on its bottle-wrapper and attested under oath. A glance at these will show that it contains no alcohol, or harmful habit-forming drugs. It is a fluid extract made with pure, triple-refined glycerine, of proper strength, from the roots of native American medicinal forest plants.
